

The No-Way Campaign Foundation

The No-Way Campaign Foundation was formed in 2008 by a group of concerned people, as a fundraising arm primarily focused on prevention, through educating the youth of Australia about the real dangers and consequences associated with illicit drugs and alcohol.

The No-Way Campaign Foundation believes that by educating our youth about the real dangers and consequences associated with illicit drugs and alcohol; it will allow young people to make good, informed choices on this very important issue. This in turn will lead to a happy, but more importantly, safe and bright future without having the need to indulge in drugs.

FOR STACKS OF GOOD THINGS!

By registering your child with The No-Way Campaign Kid's Club, you'll both enjoy lots of benefits. But more importantly, registering your kids will help to send the right messages early on in their lives, to say no-way to drugs.

And what's in it for the kids. It's a great program, making them feel a part of the community and allowing them the opportunity to participate in fun events, such as The No-Way Campaign Kid's Club annual Picnic Day. We'll also send them a welcome gift, a letter and a birthday card to boot!

WORKING TOGETHER

The No-Way Campaign Foundation is a leading drug and alcohol prevention program that educates Australia's youth about the real dangers and consequences associated with illicit drugs and alcohol by empowering them to make positive, healthy, lifestyle choices to remain drug free.

As individuals, in teams and as an organisation, we are here to assist you as a parent, in sending the right messages to your kids. And yes, together, with your help, we can make a difference.

We encourage you to help us in our efforts, and build on yours, by signing your child up with our free kid's club today, to help arm them with the information they need to say, no-way, to drugs early on in life.

And by registering your child with The No-Way Campaign Kid's Club you make life a little easier for you and a whole lot more fun for them.

On behalf of The No-Way Campaign Foundation and the members in our community we are able to assist, we thank you for your kind and generous support.

Yours Sincerely,

Darren Marton
Chief Executive Officer
